Dear Presidents and officials of national federations and sports associations,

We wish everyone a happy and productive new year.

We would like to invite you and your team to participate in the championship, Open international tournament (adults, juniors, youths) and training camp, which will be organized on February 22-27, 2023.

This championship and the training camp will be hosted in the city of Larnaca.

With this organization, we look forward to the better preparation of the athletes, for the official championships of the new year that are following, as well as the further development of the relations between national federations and sports associations within our sport.

We will be very happy to welcome and host you. Further information as well as the regulations of the organization will be communicated to you within the week.

Regards,

Marios Andreou

President
